DUVAUCHELLE ONCE MORE IN COURT

Queer Situation In Court By Davies & Co.

Eugene K. Duvauchelle, the ex-police officer who was recently acquitted on a charge of receiving a bribe while a policeman, was again in court this morning. The case was named as T. H. Davies & Co. vs. E. K. Duvauchelle, and Duvauchelle denied absolutely having ever purchased the goods for which they were suing him for payment from the company.

It seems that a man named Miller in 1901 ran the Kallhi butcher shop. Miller owed Duvauchelle \$75, and, to get this off his hands, Miller turned the meat market over to Duvauchelle. Davies & Co. allege that the former policeman ran a large grocery bill and that they have repeatedly asked him for payment.

There were only two witnesses, one for the defense and one for the plaintiff. Their testimony was diametrically opposed, and, under the circumstances, Judge De Bolt stated that he could do no other than render judgment in favor of the defendant, Duvauchelle. S. F. Chillingworth represented Duvauchelle and Frank Thompson argued for Davies & Co.

FIRE DESTROYS FERNIE

VICTORIA, B. C., Aug. 1.—Fernie, one of the principal coal-mining and lumbering towns of East Kootenay, was today wiped out as a result of a forest fire.

Fernie is important from the number of coke ovens located there, from which the smelters of Great Falls and Anaconda, Montana, drew their coke supplies. The Canadian Pacific Railroad owns the principal coal mines, which are among the largest in point of production in Canada. The town was partially destroyed by flood two years ago, and it has also been the scene of one of the worst mining disasters in the history of the country.

SAMUEL MOFFETT DEAD

SEABRIGHT, Calif., Aug. 1.—Samuel E. Moffett is dead.

Samuel Erasmus Moffett was a prominent journalist and author, having been an editorial writer on the Post and Examiner of San Francisco, the New York Journal and World, Collier's Weekly, and Washington correspondent for the Examiner. From 1891 to 1893 he was managing editor of the Cosmopolitan magazine. He was the author of several works on political economy.

ATLANTIC FLEET REPORTED

SUVA, FIJI, Aug. 1.—The Atlantic Fleet at 8 o'clock on the night of July 31 reported by wireless through the auxiliary S. S. Glacier here. The battleships at that time were in latitude 8:50 south, longitude 168:30 west. The voyage from Honolulu up till that time had been uneventful.

WILL CRUSH DEMONSTRATION PARIS, France, Aug. 1.—The excitement among the laborites over the arrests arising out of the strike clashes at Vigneaux is increasing. The Government is taking steps to head off any further disorders, and is determined to crush any demonstrations that may be attempted.

RAILROADMEN MAY STRIKE

WINNIPEG, Manitoba, Aug. 1.—A strike among the railroadmen of Canada is being threatened. This is an opportune time for the transcontinental railroad employees to gain their ends, the moving of the grain crop being due to commence this month.

PERSIAN OUTLOOK WORSE

TEHERAN, Persia, Aug. 1.—The political situation here is growing worse. The insurrection of the Parliament against the Shah and the subsequent fighting at Tabriz has stirred the whole country.

AUTO KILLS EDITOR'S WIFE

SANTA CRUZ, Calif., Aug. 1.—Mrs. Frederick Marriott, wife of the editor of the San Francisco News Letter, was killed in an automobile accident here today, in which the chauffeur was also killed.

GIGANTIC FOREST FIRE

WINNIPEG, Manitoba, Aug. 2.—The latest information from the scene of the disastrous fire in British Columbia, which wiped out the town of Fernie on Saturday, is to the effect that 5,000 people are homeless. The fire has swept the country clean along the Crow's Nest Pass and the Elk Valley for one hundred miles, and the list of the known dead reaches one hundred. The loss will be at least \$5,000,000.

The settlers and those who have been living in Fernie are abandoning the country. The coal mines are threatened by the fire, and the tunnel mouths have been sealed up to prevent the mines being set afire. The forest fires are spreading, and the flames have headed down the Elk Valley in the direction of the Montana border.

NEWSPAPERS SUSPEND

PARIS, France, Aug. 2.—Fifteen of the daily newspapers of this city will not be issued tomorrow on account of the labor situation, arising out of the arrest of the leaders of the Vigneaux mining trouble between employers and unionists. BOSTON BUILDING

C. A. C. WANTS ONLY A FRIENDLY GAME

Through a mistake, it has been stated that the Chinese A. C. challenged the Santa Claras to play ball with them. The fact is, no challenge was issued. It seems that the Japanese press has seen fit to take it up and comment very unfavorably on the nerve of the C. A. C.

Manager McKenzie and Capt. Chl But had a friendly chat in which the question of a ball game came up. The Celestials are, of course, willing to play a friendly game at any time, but deny any hint of a deft by either party to the matter.

MOTT-SMITH GOES ON HIS VACATION

Secretary of the Territory E. A. Mott-Smith has felt the call of the wild, even as our strenuous Teddy, and has hiked himself for from the raging city to the wooded wilderness of Wailalea, which is just on the other side of Kaimuki. Secretary Mott-Smith, however, would take umbrage if Wailalea were called a wooded wilderness without some qualifying statement, for he calls it "The Garden Spot of Oahu," which poetical name is perhaps true. Mr. Mott-Smith and his family will spend two weeks at their country place at Wailalea. They left last Saturday. This is a well-deserved vacation for the Secretary, as he has been a busy man for the last six months.

THE EMPIRE THEATER

This evening there should be a big crowd at the Empire to see the great fight between Tommy Burns, the American heavyweight champion pugilist, and Gunner Moir, the English champion. This picture will be on exhibition for the first time today. There will be no increase in the price of admission. Do not fail to see this wonderful picture, consisting of all preliminaries besides the main event.

FINE VAUDEVILLE

SHOW AT ORPHEUM The Orpheum, after three days of darkness, will reopen Thursday night with the French, Hallen and Fuller Vaudeville Company. The show will be one that the public can look forward to with really great expectations, as every performer in it is a star.

There are no bad ones. Speaking of Hallen and Fuller in their sketch "Election Bets," the Oregon Daily Journal of Portland says: How bad most one-act skits are was well demonstrated at the Grand yesterday when we hailed an effort in that direction by George Cohan with delight. "Election Bets" which Mr. Cohan has written for Frederick Hallen and Molly Fuller, is really

WATERFRONT NOTES

NOW THAT sugar carrying contracts with the American-Hawaiian Steamship Company have expired, a proposal is being framed for presentation to the Planters' Association and the L. I. S. N. Co., for the building of a 5000-ton passenger and freight steamer to run between this port and San Francisco, the vessel to be constructed at a cost of \$1,250,000, and to be capable of carrying 300 passengers.

TOMORROW IS sailing day for the Inter-island fleet. Six vessels, are booked to depart. The Mauna Kea goes out at noon for Hilo and Maui, the Helene at the same hour for Hilo, and the Noeua for Honolulu and Kukuiahele. At 5 in the afternoon the Mikahala goes out for Maui and Molokai, the W. G. Hall for Kaula, and the Ke Au Hou for Kaula.

THE TRANSPORT BUFORD is due about the 5th of this month, but as she is the slowest boat, excepting the Crook, in the transport service, she may not arrive until a day or two later. She generally takes about nine days to and from San Francisco.

PURSER CHANEY of the steamer Hall reports the following sugar on Kaula awaiting shipment: K. S. M., 258 bags; W. 2000; Mak., 2514; G. R., 1350; K. P., 1338; G. F., 1200; P., 1798; M. S. Co., 1600. Total, 18,968 bags.

STEVEDORE was injured Saturday by a fall into a hatchway of the Alaskan, but was found at the hospital to have suffered nothing worse than a few bruises.

THE A. H. S. S. Alaskan sailed last evening for Kaula, to return to this port Friday the 7th, before sailing for San Francisco direct.

HEAVY RAIN at Kula, Maui, is reported by Purser Kellett of the Mikahala.

ISLAND BOAT MIKAHALA'S cargo was 250 head of sheep and 34 pigs.

THE IWALANI will shortly be ready to go back on the Molokai run.

THE MIKAHALA is on the marine railway.

***** The brightest thing in the playlet line that they have given for weeks. That Mr. Cohan has not a certain gift of humor and considerable native talent would be as foolish to deny as that he has not wasted what ability he has in inapt and generally objectionable comedies. And in "Election Bets" he has seized upon a very absurd phase of politics, the "freak" election bets that ornament our election days, and held it up for the farcical ridicule that it deserves. The piece is well given by Hallen and Fuller.

Popular Orpheum prices will prevail and there is a rush for seats. Judging by the advance sale, the people certainly want vaudeville.
